Volunteer Service Position Descriptions

Some of these positions may seem more glamorous than others, but be assured, they are ALL very important! Please choose the one that best fits your gifts!

Food Serving: As one of 2-3 volunteers at each restaurant's food station, you will help portion food and encourage visitors to sample it. Make sure any long hair is tied back. Serving gloves and aprons will be available.

Child Care/Bounce House: The YMCA will provide a child care room with certified child care attendants. DCM will provide volunteers to supervise the bounce house, and provide general supervision in the outdoor playground area. (Parents will have to stay with their children for outdoor activities.) Volunteers must have a winning attitude and love for children!

Troubleshooter/Relief Volunteer: Your job will simply be to help out wherever needed. This may mean refilling ice, emptying the trash, replenishing the volunteer snacks, and filling in for volunteers on a break. This position is best for people who have volunteered at Garden of Eatin' at least once before and are good at thinking on their feet.

Silent Auction: You will be our sales associates! Help set up the auction items, supervise bidding, and close out the auction at the appropriate time.

Parking Lot/Supply Room: You will trade off throughout the event – half the volunteers in each position. You will help guide visitors to parking, direct them into the event itself, empty trash, and replenish restaurant vendors' supplies.

Registration/Ticket Sales: These volunteers must be very organized and good with money. You will check people in, take payments, and help process auction purchases.
