

Decatur Cooperative Ministry 2011 Annual Report

2,100 school-age
children and their
families are
homeless in DeKalb
County this year.

**We believe there is light at the end of the
tunnel through homelessness. We want to
help shine that light.**

With your help, DCM shined the light for 747 families last year.

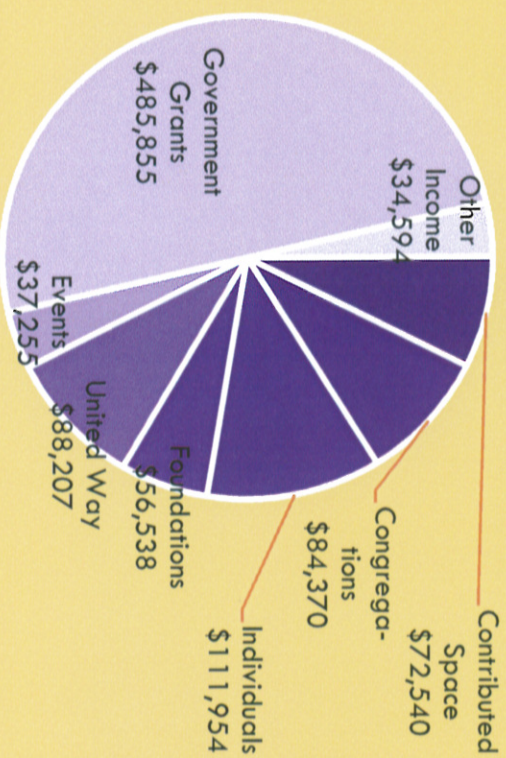

> **144** families avoided eviction and loss of utilities and **160** more improved financial literacy and budgeting skills through **Project Take Charge**.

> **43** families with children found an emergency home at **Hagar's House**. Over 75% moved into more stable housing within 90 days.

> **14** families with children prepared for long-term stability and self-reliance in **Family House**, a six- to 24-month transitional housing program.

> **426** households put food on their table through a food pantry and two food cooperatives.

2011 Revenues by Source

2011 Expenses: 83% of expenditures were for program services. Only 17% went to administration and fundraising.

> Volunteers gave over **10,264** hours — a value of more than **\$148,000**.

> Donors provided **\$78,000** in in-kind contributions.
