

Decatur Cooperative Ministry
 Helping families, one family at a time.

Have you heard the phrase – “A penny for your thoughts”?
 How about the phrase – “A penny for your searches”?

Well, if you haven't heard the second phrase, then let us tell about an exciting free service that will turn your everyday internet searches and into food for the hungry. All you need to do is use *GoodSearch* instead of *Google* search. Yup...that's it!

GoodSearch & GoodShop

GoodSearch is a Yahoo-powered search engine that will contribute one penny to DCM every time you use it to search the internet. And, a penny goes a long way these days:

**16 GoodSearches = 16 pennies
 = 1 pound of food from the
 Atlanta Food Bank**

The DCM staff used *GoodSearch* for one week and raised \$3.85 which will help purchase **24 pounds of food!** Now imagine how much food we could provide those in need if you, your family members, your relatives, all your friends and Facebook connections, and your colleagues at work used *GoodSearch*? Yup...a lot of food.

To start earning pennies for DCM and pounds of food for the hungry, just use *GoodSearch's* search page (<http://www.goodsearch.com/>) or install *GoodSearch's* toolbar and search box (<http://www.goodsearch.com/toolbar/decatour-cooperative-ministry>) on your internet browsers. Be sure the “who do you search for” is set to “Decatur Cooperative Ministry”.
